

Player Sponsorship Packages | 2025

Lilydale and Yarra Valley Netball Association (Valley Netball) are offering Player Sponsorship Packages to all our Representative Players.

The purposes of these packages are:

1. Player Sponsorships allow Rep Parents to have their work, or a business/company pay the Rep fees. The company can then claim the costs of Player Sponsorship through their company/business as a tax deduction. The packages offer better value for money than paying for your child's fees privately.
2. Business/company gain exposure at Pinks Reserve Regional Netball Facility in Kilsyth.
3. Valley Netball gains additional revenue from the transaction.

Every dollar a player/family bring in as sponsorship, we will discount 60c from their fees, e.g. if a player brings in \$100 dollars in sponsorship, they will have \$60 discounted from their fees.

Valley Netball will provide an invoice addressed to your company's name for sponsorship.

Sponsorship Levels and Actual Costs to parents (see page 3 onwards for details).

Valley Netball will also consider in-kind contributions to some or all of the sponsorship value, e.g. if you are a Gym and are willing to provide gym access to our Representative teams in lieu of a cash payment.

If you already have paid some or all your child's fees for this year, Valley Netball will provide an invoice for the full Sponsorship Package and a personal refund for what you have paid to date.

Signage must be installed and erected by Allwrite Signs. The design, artwork and cost of the sign is the responsibility of the sponsor. The signs remain the property of the sponsor and will be returned at the end of the agreed term.

We have two Saturday seasons, Winter and Spring, running between March and December. We have over 200 teams playing Saturdays with the attendance by players, officials and spectators exceeding 5,000 throughout the day.

We also currently offer two Night Competitions on a Tuesday and Wednesday evening which has around 70 teams entered across two nights.

Many of our clubs use the Pinks Reserve Netball Facility for training, with the courts utilised every night from 4:00 pm to 9:00 pm during the week for games, training and specialist coaching. Our facility is fortunate enough to have the Victorian Netball League (VNL) community partner North East Blaze Netball Club run some of their training sessions at our courts.

Valley Netball also offer programs for players just starting netball by providing a NetSetGO program <https://www.lyvna.com.au/netsetgo-net-set-program> for players 5-9 years of age.

Valley Netball host tournaments which attract approximately 60 to 80 teams (2,000 players and spectators) for Sunday round-robin events, our annual Representative Team tournament and Netball Victoria tournaments. We also look at hosting charity tournaments for local junior teams. The teams attending these events come from across Melbourne and Victoria.

Valley Netball has 7 Representative Teams who compete weekly at the Waverley Netball Centre against some of the best teams in the state, as well as travelling to 12-13 tournaments throughout Melbourne and Victoria, travelling as far as Mildura.
